Dear Mr. Weisberg,

I am requesting copies of Photographic Whitewash and Post-Mortem. My address is: Chris R. Lynch
242 Meadowview Drive
Frankfort, KY 40601.

I have read many so-called "books" on the murder of President Kennedy, and I must say that your investigation is by far the best of the best. You do not water down, dance around, or even attempt to alter the evidence to fit a predetermined "solution" to this crime, and I admire you greatly for that.

Sincerely,

Chris R. Lynch
